

TVC LEISURE

Gaming and Amusement Machine Supplier

March 2019 Newsletter

Hello! Welcome to the March Newsletter,

This month has seen TVC Leisure continue to make a significant investment in new equipment for both new and existing customers.

New models include Thunder digital jukeboxes, Casino King digital gaming machines, King of Games digital gaming machines and Winner pool tables. Keep an eye out for the images on our [social media accounts](#).

BACTA, the trade association for the gaming industry, recently produced a guide for gaming machines in pubs. We are urging all of our customers to read through the guide to keep yourself up to date with the rules and regulations when making gaming machines available.

We have sent out copies to the majority of our customers but please find a link to the guide below. Lastly we are excited to announce a new product range to our ever growing offer... table top coffee machines!

Now, delicious cappuccino, café latte, espresso, mocha, black and white coffee and hot chocolate are all available with a push of a button. Ready within 15 seconds, with hassle-free maintenance, these provide an extra service for very little effort.

The machines are designed to fit in the smallest of locations with a width of just 16.5cm. These machines are available on a fixed weekly rental term, so get in touch to enjoy great tasting coffee in your venue.

Adam Jenkins
Managing Director, TVC Leisure

Table Top Coffee Machines

- A range of drinks options
- Ready in just 15 seconds
- Narrow footprint
- Available on fixed weekly rental

New Advice For Pubs & Bars

Find out more about your responsibilities when it comes to gaming machines. It's important to understand the rules and stay compliant if you want to avoid fines... or worse!

Fortunately, we're here to help.

This is feedback we get time and time again, national operators providing poor service. TVC leisure is a regional supplier focused on providing unparalleled service to our customers through lots of support and regular communication.

“ We were previously supplied by a national operator and became unhappy with the service. We now have a much better deal with TVC Leisure, the equipment is higher quality and the service more personal ”

Rob Planton - Pub Landlord - Hampshire
