TVC LEISURE

Gaming and Amusement Machine Supplier

May 2019 Newsletter

Hello! Welcome to the May Newsletter,

I hope everyone has had a busy month, with 2 bank holidays during the month of May, I hope everyone saw a welcome boost in footfall.

May has been another busy month for us here at TVC Leisure. Our engineers have completed a number of new site installs, as well as carrying out several machine upgrades to our existing customers. The new equipment has included a variety of AWP's, B4 Club fruit machines, digital gaming machines and Winner pool tables.

During May, we have seen an increase in the number of orders for ancillary equipment such as glass washers, ice machines and CCTV systems. We offer a complete package of ancillary products to meet our customer's needs, all of which are supplied on competitive terms and rental rates. Please get in touch if you require information on any of our products.

Due to our ongoing expansion, we have been actively increasing our workforce this year. We welcomed Luke at the beginning of 2019 as the newest member of our technical team, and I would like to take this opportunity to welcome Jade Bing as the newest member of our office admin team. Jade started with us at the beginning of May and will be helping with the day to day tasks within our busy office.

Please get in touch if you require any help or assistance, or are interested in enquiring about any of our new products.

Adam Jenkins
Managing Director, TVC Leisure

Our ancillary range includes:

- **Ice Machines**
- **Glass/Dishwashers**
- **Bottle Coolers**
- **CCTV Systems**
- **Audio/Background Music Systems**
